MAGIC HANDS

See our medical aesthetician,

Lisa "magic hands" Peacock, for a 6-STEP BelaMD enhanced with Ultrasonic dermaplaning, and receive a complimentary The Beyond.

What is The Beyond you ask?... The Beyond is our signature adaptive manual therapy that stimulates circulation of the scalp (Traditional barbers in India commonly provide this service for hair loss and thinning), promotes lymphatic drainage of the face and neck, and induces extreme relaxation and wellness. (\$50 value)

New Blog Posting

At SKin Phi we only provide you with the best products, technology, and of course...the best ensemble of talent. Meet Aine, our new administrative assistant, and Lisa, the SKin Phi.
